PO Box 58 Winthrop, WA 98862

Dear Scholarship Applicant,

*Methow Valley Riding Unlimited is committed to providing educational and therapeutic horsemanship opportunities to individuals and families with special needs **regardless** of financial status. To this end MVRU has created a scholarship program to provide tuition assistance to those in need. To apply for tuition assistance you must fill out **completely** the Scholarship Application and send it, along with a \$50.00 application fee, to MVRU on or before the Registration Deadline for the Session in which you intend to participate. The \$50.00 application fee is due once a year, regardless how many sessions you plan to ride. The Scholarship Application need only be resubmitted or updated if there is a change in financial status such as wages, rent, or number of dependents, during the course of this calendar year.*

Tuition assistance is granted to participants on the basis of need, relative to other MVRU scholarship applicants. Priority is given to individuals with special health and educational needs. All applications are confidential. Only the information will be provided to the Scholarship Committee for review. Identities will not be disclosed. MVRU does not discriminate against any person or applicant on the basis of sex, race, color, creed, sexual orientation, physical disability, religion, or national origin.

*Our program depends upon the generosity and support of our community. Volunteers are the key to our success. It is our philosophy is that **everyone** has something to contribute and we would like you to do so in whatever way is appropriate for you. Some suggestions are provided on the application but please feel free to be creative!*

Scholarship notification will accompany your class session confirmation. Please feel free to contact Annie B, Program Director, with any questions.

Sincerely,
